A corporation is not a person. Money is not speech.

THANK YOU!! ...if you were one of over 1000 Monona citizens who took the first step by signing our successful United To Amend petition last fall, which led to a ballot referendum in the upcoming April 4th election.

Now take the NEXT STEP: Vote **“YES”** April 4th, and encourage friends and neighbors to do the same. When passed, the referendum will put Monona on record supporting an amendment to the U.S. Constitution that will stop the flow of corrupting money into politics. It also sends a message to Wisconsin’s state and federal legislators to enact resolutions and legislation to advance this effort.

One reminder:

Whether voting on April 4th or casting an absentee ballot before April 4th, you will need to present an acceptable photo ID.

This note personally delivered by the Monona United To Amend Group
