

## Spring Election Referendum April 3, 2018

Should the following resolution be passed: Resolved, that We the people of the City of Rice Lake, Wisconsin, seek to reclaim democracy from the expansion of corporate personhood rights and the corrupting influence of unregulated political contributions and spending. We stand with communities across the country to support passage of an amendment to the United States Constitution stating: 1. Only human beings are endowed with constitutional rights – not corporation, unions, non-profits or other artificial entities; and 2. Money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting speech.
