

Unitarian Universalist Society of River Falls Resolution

"Resolved, that "We the People" of the Unitarian Universalist Society of River Falls seek to reclaim democracy from the expansion of corporate personhood rights and the corrupting influence of unregulated political contributions and spending. We stand with communities, churches and groups across the country to support passage of an amendment to the United States Constitution stating:

1. Only human beings - not corporations, unions, non-profits or similar associations - are endowed with constitutional rights, and
2. Money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech.
