

We the People of Wisconsin demand that the following referendum be placed on the state ballot:

The US Supreme Court's decisions in Citizens United and related cases allow unlimited spending to influence local, state and federal elections. To allow all Americans to have an equal say in our democracy, shall Wisconsin's Congressional delegation support, and the Wisconsin Legislature ratify, an amendment to the United States Constitution stating:

- 1. Only human beings are endowed with constitutional rights -- not corporations, unions, non-profits or other artificial entities, and
- 2. Money is not speech, and therefore limiting political contributions and spending is not equivalent to limiting political speech.
