

Village Referendum

Shall the Citizens of the Village of New Glarus adopt the following Statement? Resolved that "We the People" of the Village of New Glarus, Wisconsin, seek to reclaim democracy from the expansion of corporate personhood rights and the corrupting influence of unregulated political contributions and spending. We stand with communities across the country to support passage of an amendment to the United States Constitution stating:

1. Only human beings - not corporations, limited liability companies, unions, non-profit organizations, or similar associations and corporate entities - are endowed with constitutional rights, and
2. Money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech.
