

PROPOSED RESOLUTION
By the City of Shawano
Supporting a Constitutional Amendment

Whereas, government of, by, and for the people has long been a cherished American value; and

Whereas, free and fair elections are essential to democracy and the effective self-governance; and

Whereas, corporations are not and never have been human beings or persons, and therefore are rightfully subservient to human beings and governments as our legal creations; and rightly are provided ONLY privileges by the state; and

Whereas, interpretation of the U.S. Constitution by appointed Supreme Court Justices to include corporations in the term "persons" has long denied We the People's exercise of self-governance by endowing corporations with Constitutional protections intended by the Framers for ONLY We the People; and

Whereas, in 1976 in the ruling on *Buckley v Valeo*. The untenable decision of the Supreme Court changed the course of American elections and established the doctrine that spending money to influence elections is a form of speech; and

Whereas, on January 10, 2010, in *Citizens United v. Federal Elections Commission*, the Supreme Court overturned a century of precedence by ruling that corporate spending on elections cannot be limited under the First Amendment; and therefore,

Resolved, that "We the People" of the City of Shawano, Shawano, Wisconsin, seek to reclaim democracy from the expansion of corporate personhood rights and the corrupting influence of unregulated political contributions and spending. We stand with communities across the country to support passage of an amendment to the United States Constitution stating:

1. Only human beings are endowed with constitutional rights – not corporations, unions nonprofits or other artificial entities, and
2. Money is not speech, and therefore limiting political contributions and spending is not equivalent to limiting speech.

Further Resolved that the City of Shawano, Shawano Wisconsin, Clerk is directed to forward a copy of this resolution to our state and federal representatives – instructing them to enact resolutions and legislation to advance this effort.
