

Town of Plum Lake Referendum

Shall the Town of Plum Lake adopt the following resolution? “Resolved, that “We the People” of the Town of Plum Lake, seek to obtain guidance on two issues that affect our elections and our democratic institutions. The two issues we wish to get public input on are regarding corporate personhood rights and the influence of unlimited political contributions and spending. We are asking the electors of the Town of Plum Lake if they support the passage of an amendment to the United States Constitution stating: 1. Only human beings are endowed with constitutional rights – not corporations, unions, non-profits or other artificial entities, and 2. Money is not speech, and therefore limiting political contributions and spending is not equivalent to limiting speech.”
