Bob:

Here is a link (<https://milwaukee-synod.org/synod-assembly-2024/>) to the approved Resolution 2 from the Synod Assembly in May (right column under Assembly Actions). If you want to see the original version you can find that in the box of files at the bottom of the page.

**RESOLUTION 2: Resolution to Amend the United States Constitution
Submitted by the South Conference**

WHEREAS, Lutherans care about government because it is a gift from God intended for the safety and flourishing of human life; and

WHEREAS, The ELCA holds to the biblical idea (Jeremiah 29:7) that God calls people to be active citizens and to ensure that all people benefit from the good of government; therefore, be it

RESOLVED, That the Greater Milwaukee Synod work with Wisconsin United to Amend, and communities across the state, to defend democracy from the corrupting effects of undue corporate power by advocating for amending the United States Constitution to establish that:

1. Only human beings are endowed with constitutional rights — not corporations, unions, nonprofits or other artificial entities, and that
2. Money is not speech, and therefore limiting political contributions and spending is not equivalent to limiting speech; and

RESOLVED, That the Greater Milwaukee Synod encourage congregations and their members to advocate for a constitutional amendment to that end, and

RESOLVED, That the Lutheran Office of Public Policy of Wisconsin be requested to communicate in support of this effort with all state legislators, members of Congress, and Senators representing the territory of the synod.
